RE: 509 Metacom Avenue
Bristol, Rhode Island
Plat Map 108 / Lot 7

Dear Domenico Bucci and Irma Santilli:

On November 9, 2011, the Rhode Island Department of Environmental Management (the Department) enacted the amended Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations). The purpose of these regulations is to create an integrated program requiring reporting, investigation, and remediation of contaminated sites in order to eliminate and/or control threats to human health and the environment.

In the matter of the above-referenced property (the Site), the Department's Office of Waste Management (OWM) is in receipt of the following documentation submitted pursuant to the Remediation Regulations in response to the reported release at the Site:

1. Release Notification, received by the Department on March 25, 2013, and prepared by Alliance Environmental Group, Inc. (AEG);
2. Short-Term Response Action Completion, received by the Department on April 26, 2013, and prepared by AEG;
3. Short-Term Response Action Completion Addendum, received by the Department on May 7, 2013 and prepared by AEG; and
4. 509 Metacom Avenue, Bristol, RI (Notice to Abutters), received by the Department on May 16, 2013, and prepared by AEG.

Based upon the information provided in the documents referenced above, the OWM has determined that the property does not require any additional response actions in accordance with the Remediation Regulations at this time.

Please be advised that the OWM reserves the right to require additional actions under the Remediation Regulations at the subject site should any of the following occur:
